

**Ticket Pouches**  
 Self-adhesive and Magnetic

**Features and Benefits**

- Cost effective ticket pouches
- Clear front enables barcodes to be scanned
- Available in 4 sizes and 5 colours
- Supplied with white card inserts
- Ideal for 5S and Lean manufacturing

Highlight information using this economical range of coloured PVC ticket pouches. They have a flexible pull forward clear front and coloured back.

There are 4 size options and 5 colours available and are designed for use on all types of shelving and racking. The coloured backing can be used for identifying picking areas, whilst the clear front allows for a barcode insert to be scanned without removing the ticket.

The self-adhesive pouch is permanent, whereas the magnetic version can be easily relocated. Magnetic versions of our ticket pouches are ideal for locations that change frequently. Ideal for use on most steel surfaces including shelving, racking and steel office cupboards, etc.

**Material Specification**

**Adhesive**

General purpose transparent emulsion acrylic adhesive with initial adhesion.

Temperature resistance:  
 -20°C to 30°C (when applied at 10°C)

**Magnetic**

0.8mm Flexible strontium ferrite in synthetic rubber binder; magnetised multipole one face.

Plastic	Values
Thickness colour PVC back	300 µ, 0.3mm
Thickness clear PVC front	300 µ, 0.3mm
Minimum temperature	Less than -5°C – material becomes brittle
Maximum temperature	+ 30°C
