

KK KNOCK DOWN RANGE

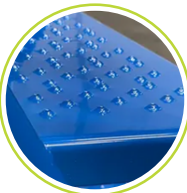

The Knock Down Range (KK) is a ‘flat-packed’ version of our Industrial range, ideal for warehouses with tight access restrictions. It retains all of the key features of the Industrial range while being designed for easy transport through narrow spaces. Once inside your building, it assembles quickly, ready for immediate use.

- ✓ SAFE WORKING LOAD OF 300KG
- ✓ WORKING PLATFORM SIZE 550MM(W) X 400MM(D)
- ✓ CUSTOMISABLE EXIT OPTIONS
