

## Self-adhesive Label Holders 15mm, 30mm & 50mm High

### Features and Benefits

- Instant and highly visible identification
- Long term fixing
- Standard sizes supplied from stock
- Ideal for pigeon holes and shelving

Self-adhesive offers a long term solution of fixing label holders, and more stability in environments where the inserts need to be changed frequently. 3 heights are available - 15mm, 30mm and 50mm, supplied with aggressive high cohesion adhesive strip. Pre cut sizes from stock, special sizes up to 3M available on request. The smaller holders are an ideal solution for the identification of pigeon holes and also suit narrow edge shelving used in schools, libraries and offices.
