	<b>Cleaning Instructions:</b> Unit can be cleaned with a soft dry cloth
	<b>Sustainability:</b> Our certified FSC MFC is manufactured in Chirk, Wales. 85% of the boards are recycled timber (a mix of hardwood & softwood coming from old furniture, pallets, cable reels). The recycled content comes from the UK & the 15% comes from sawmill residue. For every tree felled - five trees are planted. Once our furniture reaches the end of its lifetime, 100% of the unit can be recycled.
	<b>Delivery:</b> Super-fast lead times – items are delivered fully assembled by our team of friendly drivers on our own fleet of vehicles. On delivery our driver will carry out our Unwrap & Check Service – the unit will be unwrapped, and our driver will assist the end user to inspect the unit to make sure the unit is perfect and ready to use! The driver will then collect the packaging and return it to our factory for recycling
	<b>Relevant BS EN Standards:</b> All storage manufactured by Monarch Education Furniture is built to BS EN 16121:2013 Level 2 British Standard and EU equivalent in respect of strength, durability and stability. Independent testing certificates will be available for this product prior to the contract start date. Samples of all products are available for your assessment upon your request
